NOTE: At grade 14 (shaded), use the locality rates for basic pay. This basic rate is used for the following purposes: retirement (CSRS and FERS)--including TSP, life insurance, premium pay, severance pay, advances in pay, workers' compensation payments, and lump sum annual leave. Use the shaded amounts at the grade 14 for all other pay purposes including determining within-grade increases, promotion, pay retention, highest previous rate, recruitment/relocation/retention payments, and supervisory differential.

This payscale supersedes Table N-459 dated 1/13/2002.

EFFECTIVE DATE: January 12, 2003

(Revised in March 2003 to show change in locality rates to be used as basic pay for shaded rates.)
